Directions to Rackheath

Take the A11 or A47 to Norwich.

Turn on to the new Southern Bypass (A47) heading towards Gt. Yarmouth. Go along the bypass for about 5 miles. Take the exit marked A1042 Postwick/Norwich N & E and at the exit road take the right hand two lanes to allow you to go **straight** over at the roundabout (not left towards Norwich).

Go **straight** over the next two roundabouts (the last one has Makro on the left side) and carry on down the country road you will find yourself on. Follow all the bends, go under a railway bridge and eventually you will come to a crossroads where you must give way.

Turn **right** and go through Thorpe End village. Go over the railway crossing and about 300 yds later, take the first turning to the **left** at a rather well hidden cross roads.

Go over another railway crossing. At the mini roundabout by the Sole & Heel pub go **straight** over.

Proceed for a further mile and turn **right** on to Rackheath Industrial Estate (Babyland showrooms on the corner).

Follow the main road right round the estate until you pass Aquafibre boat yard on the left. Turn **left** immediately after into Mackintosh Road, where you will find our reception is 50 yds on the right.
